**New Cassel (Jennifer LaPoma):** ORC informed ERRD that State of New York et al v. Next Millennium Realty, LLC et al has been adjourned until January 4, 2016.

NYSDOH and NYSDEC informed EPA last week that BOCES employees nearby to the Sylvania property reached to their agencies to inquire about building demolition work at Sylvania. EPA, including NYSDOH and NSYDEC had not been informed of any plans for such activities and were concerned as there is known RAD contamination underneath some buildings on the property. EPA Attorney Kivowitz reached out to DOJ and Verizon's Attorney and was informed that work is planned to demolish the interior of buildings on Sylvania, but the slab and exterior walls will remain. RPM LaPoma was provided the Verizon project manager contact, whom she will contact this week to establish future communications regarding the Sylvania property.

**OUI RD:** ERRD and ORC project staff met December 7<sup>th</sup> to discuss revisions to the OUI SOW and UAO. RPM LaPoma, SC Mannino, and Attorney Kivowitz are meeting this week to collectively revise the OUI SOW. Prior to circulation, RPM will organize meeting with Nicky DiForte and ORC management to walk through the revised PDI Work Plan prior to the work plan circulation.
